RE: Permit [Permit Number]
[County] County, [Route]

Dear [Owner Contact]:

Even though the portion of [Route] where permit [Permit Number] is located will be renamed [New Route], MoDOT will still be responsible for the regulation and control of outdoor advertising along [New Route].

The Intermodal Surface Transportation Efficiency Act of 1991 (ISTEA), Public Law 102-240, dated December 18, 1991, states "Outdoor advertising controls will apply to the Interstate System and roads that were on the Federal-aid Primary System as it existed on June 1, 1991, and any highway which is not included about but which is on the National Highway System."

Since [Route] was part of the Federal-aid Primary System as it existed on June 1, 1991, you are still responsible to maintain the sign in accordance with the rules and regulations.

For additional information regarding outdoor advertising rules and regulations, please log onto http://www.modot.org/business/Outdoor_Advertising. If you have questions or need assistance, please contact me at [Phone Number].

Sincerely,
